## Wetland fill problem

# Corps, new industry clash

by GLORIA DAVIS

It's not only the course of true love that doesn't always run smoothly. Antioch has finally gotten a shot in the arm concerning their quest to bring more industry into the

area with RAM Enterprises' development of six acre sites, slated for new industry, in the Sequoit Industrial Park.

But the U. S. Army Corps of Engineers is questioning Walter Koziol's plan, to fill in

two acre lots, their objection based on the Clean Water Act which bans depositing fill on a wetlands. Koziol is the president of RAM Enterprises.

The two lots in question are on the wetlan-

ds adjacent to the Sequoit Creek.

According to Antioch's Mayor Ray Toft part of the Corps objection is because they don't like wetlands used for factory sites.

## Board closes school deal

by GLORIA DAVIS

The Channel Lake School building, which has been for sale by the Antioch Grade School Dist. 34 for a for quite awhile, has been sold to F. L. Langhoff, long-time resident.

The official closing took place on Oct. 18, when the ownership of the school was turned over to Langhoff for the sum of \$75,000.

Antioch Grade School Superintendent Dr. Donald Skidmore said that he does not know whether Langhoff himself will be using the building or whether he has plans to resell it.

The board dealt with the inequity of the length of the teachers' lunch hour between three grade schools comprising Antioch Grade School Dist. 34, at their last regular board of education meeting, held on Tuesday, Nov. 17.

At the present time the lunch hour for the teachers at the Antioch Lower Grade School is 45 minutes.

This is because the small lunch-room facilities require that there be three student lunch periods.

At Antioch Upper Grade and Oakland, students have two lunch periods and the teachers have a 30 minute lunch break.

According to Skidmore, "The board will now deliberate over whether or not the inequities of the teachers' lunch hour, are justified by the physical limitations of the lower grade school.

A possible blanket 35 minute lunch hour is being discussed.

Skidmore also told the board that he had given the village of Antioch tentative permission to clean out the part of Sequoit Creek that flows south on school property to Rte. 173.

The creek has already been cleaned and dredged in the one-half mile area running along Depot St. to Tiffany Rd.

An agreement between the school district and Antioch Parks and Recreation for the Parks' use of school facilities was presented to the board for their approval to be sent to the Antioch Village Board to be approved and signed.

## 'Christmas Creations' festive holiday fare

The Christmas shopping season will move into full swing Thursday, Dec. 3 when the Antioch Chamber of Commerce and Industry presents an impressive selection of fashions available in Antioch for yule shoppers.

The program is entitled Christmas Creations.

The evening's festivities will begin at 6 p.m. with cocktails and ample hors d'oeuvres. Fashions and fun begin at 7 p.m. at The Country House. Tickets are \$10.

Fashions for the evening will be supplied by BJ's, Barnstables, Jack's Four Squires, Ben Franklin, Gibbs and Jensen's Carousel, Antioch Family Shoes, Stanley's Men's Store and The Globe Department Store.

Carousel will be showing lingerie for Christmas gifts and BJ's and Stanley's will show underwear for men as a gift or for yourself. Ben Franklin will show children's clothes and Globe will be showing holiday party clothes.

Finally, Four Squires will show innovative ideas in fashions for the holiday and Barnstables will feature everything from knickers to festive metallic-trimmed holiday wear.

Elaine Olson of the General Store will employ her decorating skills to set the yuletide stage and the Rev. Lauren Messersmith will give the Christmas blessing.

## Santa to come on Friday!

The opening of the holiday season in the village of Antioch will officially take place on Friday, Nov. 27.

Santa will arrive in a fire engine, painted to match his outfit, at the village hall, at 6:45 p.m.

Mayor Ray Toft will formally open the season and turn on the Christmas tree lights in front of the village hall at 7 p.m.

Santa will visit with all comers in front of the village hall for this, the first weekend, moving to the Scout House where the children can visit him every weekend in December.

Antioch Parks and Recreation will supply babysitters on Friday and Saturday evenings during this time.

Call (312) 395-2160 for more information.

## Good news in The News

### Thanksgiving services

Many Antioch churches will be holding Thanksgiving services for those who wish to commemorate the day in a special way.

St. Peters Catholic Church will celebrate masses on Thursday, Nov. 26 at 7:15, 8 and 9:30 a.m.

St. Ignatius Episcopal Church will hold a special service at 9:30 a.m. on Thursday.

There will be two services at the Faith Evangelical Church, one on Wednesday, Nov. 25, at 7 p.m. and the other on Thanksgiving Day at 9 a.m.

The Antioch Evangelical Free Church will give thanks at 8:30 a.m. on Thursday.

United Methodist Church will have their traditional service on Wednesday, at 7:30 p.m.

### Santa has home

The village of Antioch now has a Toyland Rd. for Santa. It is the road between Baskin Robbins and the Texaco Station in the Antioch Shopping Plaza, off of Orchard St.

Mayor Toft reports that a sign marking the road will soon be up.

It's good to hear that Santa's mailing problems have been solved, so get that letter into him as soon as possible kids. Just address it to Santa on Toyland Rd., Antioch. You're sure to get an answer.

## Fields joins team at Antioch Savings

Jim Swiatek, president of Antioch Savings and Loan Assn., has announced the appointment of John B. Fields as vice-president of the association.

Swiatek commented that Fields will concentrate his efforts in business development and new accounts areas.

Fields, former vice-president, director of the State Bank of Antioch, comes to Antioch Savings with 30 years of banking experience.

A life-long resident of the Antioch Community, Fields, his wife, Sara and children Tim and Polly reside on Edward Rd. in Antioch.

Fields is the second former State Bank of Antioch employee named to a top management position at Antioch Savings and Loan Assn. in the past two weeks. Last week it was announced that Swiatek had been appointed the association's new president and a director of the association.

### Ask Dr. Sven

by Robert T. Sven B.S.D.D.S.

#### WHAT IS CALCULUS?

Those hard deposits often seen on the backs of lower front teeth—sometimes white, sometimes yellow or brown—are popularly known as "tartar". A better term is "calculus", for these deposits are formed from the calcium salts of saliva. They are similar to the deposits found on the bottom of an old tea kettle.

Calculus is most evident just behind the lower front teeth because glands secrete saliva there, but it can collect on all teeth (and on dentures and bridges), often under the gum margin. In conjunction with bacterial plaque, this causes inflammation of the gums and subsequent loss of bone. In fact, calculus would not adhere to the teeth at all if it were not for the sticky matrix of the plaque.

Dr. Sven will be happy to answer individual questions about dental problems. Address personal inquiries to his office.

## Antioch parks to hold 'Sip, Stretch' classes

Antioch Parks and Recreation proudly announces "Glenda and Dee's Sip and Stretch". The program will consist of two hours a day with approximately 45 minutes of structured exercise.

The rest of the time will be designed with direction but each person will do what they feel necessary. They have acquired mats, slant board, and a small circulation trampoline, with coffee brewing.

Bring a towel each class and wear loose clothing or leotards. The structured time will be used for aerobic exercise and calisthenics, with a relaxation cycle each time.

The class hours are: Tuesday, Thursday, Fridays; 9:30-11:30 a.m. and Monday, Tuesday, Wednesday, Thursday, and Friday from 1-3 p.m.

On Tuesdays and Thursdays, there is a camp at the scouthouse from 9 a.m.-noon. Children from three to five years may be enrolled for \$35, for six weeks.

With these times, each individual is asked to select two spots that will work for them.

The fees are \$4 per week, with the selection of two spots; or \$18 for a six week session with a choice of two slots a week.

The program will begin in the Old Fire Station, Nov. 30 thru Jan. 8. It presents a great opportunity to get ready for the holidays.

Call (312) 395-2160 and ask for Glenda or Dee to register or give any suggestions.

Antioch Parks and Recreation will also be offering a night program at 7 p.m. thru 8:15 p.m. on Tuesday and Thursday evenings. The program is trim and slim Yoga with Marsha.

Marsha suggests loose clothing or leotards and bring a mat or large towel. The class will begin Jan. 6 in the basement of the old Fire Station. The fee is \$4 per week.

For the exercise or Yoga classes, one can register by calling Glenda or Dee at the parks and recreation office, at (312) 395-2160, from 9 a.m. until 4:30 p.m., Monday thru Friday and 9 a.m. until noon on Saturdays.

## Corps, industry clash

Continued from Page 1

If Koziol is not allowed to deposit the fill, he will end up with two lots on either side of the wetlands which in the long run would knock off at least two acres planned for development. The lost acreage means that the developer would lose two industrial sites.

Toft says, "The cost of developing the industrial sites will be unfeasible if Koziol ends up with four sites instead of the six originally in the plan."

The high cost will be incurred because Koziol is putting sewers, streets, curbs, gutters etc. in the area plus a retention pond.

The Corps has officially asked for public input before making a decision on whether or not to issue Ram Enterprises a permit to put fill on the wetlands.

Toft says that the village has already written to the Corps taking a strong stance on the issuance of the permit because of the need for the jobs and the cash flow that each industry brought into the Antioch area will mean.

The financial institutions and many area businessmen have also written to the Corps asking that Koziol receive the permit.

All input must be into the Corps in Chicago by Wednesday, Nov. 25.

Many local businesses have had notices posted in their establishments urging customers to do the same.

Although Koziol says that he expects the matter to come to a head within the next few months, he adds that the part of the project that is concerned with the fill will not be physically approached for more than a year.

## Johnson resigns from board

The board of Education of Antioch Community High School, approved the employment of Gary L. Brock as a math and science teacher to replace Anna Kugler who was struck and killed while jogging in October.

The board passed the certificate of levy for a total of \$2,395,000. This is the same amount that was levied the previous year. However there should be a decrease in the extension of property taxes due to the decrease in debt service costs.

Director of Curriculum Gary Allen, who is serving as North Central Steering Com-

mittee chairman for the 1982 Visitation reported Robert Wheat, superintendent of Bremen Community High School District 228, Midlothian, Illinois, has accepted the chairmanship of the Visitation Committee.

The board accepted the resignation of member Frank Johnson who has been on the board for the past eight and one-half years.

He indicated the reason being change in job commitments which takes him away from the community. In further action the board appointed Tony Starcevic to fill the uncompleted term.

## Honor top riders in cancer fund raiser

Top prize winners representing 11 Lake County communities involved in the 10th Annual Fall Bike-A-Thon for the Lake County Unit of the American Cancer Society were announced at a traditional victory dinner held in Libertyville, Nov. 11. McDonald's Restaurant hosted the awards night dinner for Lake County Unit community route chairmen and the top prize winners in the charity event.

Lake County Unit Bike-A-Thon Chairman, David H. Wagner, Waukegan, also Lake County Unit Income

Development Chairman, announced contributions totaling \$28,271 has been received through this popular fund-raiser. The 324 riders for the Cancer Society had over four thousand sponsors for the event which took place Sunday, Sept. 27.

"While our \$35,000 goal was not reached," Wagner said, "we are very pleased to announce that this year our Bike-A-Thon riders have exceeded their 1980 contribution by more than \$5,000." Wagner, himself a cancer patient at age eight, described the importance of

this special event as a fund raiser for the Cancer Society in Lake County.

"Within the last year the American Cancer Society office in Waukegan has provided services without charge to more than 1,500 Lake County cancer patients," he said.

Local prize winners include: Route 5, Antioch was chaired by Pres Reckers. Eight-year-old Laurie Zimmer was named as first place winner of a 10 speed bike donated by the State Bank of Antioch.

## Maras' Illini debut at Rosemont Nov. 28

A large delegation of fans from the Antioch area is expected to be on hand Saturday night, Nov. 28, to cheer Dee Maras when Illinois opens its 1981-82 basketball season against Loyola in a game at the Horizon, Rosemont.

Maras, one of the stars of Antioch High's 1981 state tournament basketball team, is a member of the Fighting Illini traveling squad.

The 6-7 all-time Sequoit great is one of five new forwards on Coach Lou Henson's Illini and one of four freshman.

"I like Dee's rugged style. He's the type of aggressive player we need in the Big 10. He's definitely not shy," remarked Henson of the youngest son of Mr. and Mrs. Daniel Maras of Bluff Lake.

Henson is faced with rebuilding his entire forward corps that was torn apart due to graduation following last season's NCCA tournament competition, the best showing Illinois has made in post season play in years.

Acknowledging that it is tough for a freshman to see much action in the Big 10, the U of I coaching staff is looking for Maras as one of the Illini of the future.

Dee has been practicing basketball since early October. He is majoring in engineering.

Here is what the official U of I sports biography has to say about Maras:

"Will see action at both the small and power forward spots. . . Good, aggressive player. . . A heads up defensive player who does an excellent job of blocking out on the

boards. . . Good outlet passer on the fast break. . . Reliable shooter within 18 feet. . . Fluid motion on his shot while body is in any position. . . Very intelligent player, he's always around the ball. . . Played for the AAU Junior Olympic team which toured China last summer and averaged 10 points and nine rebounds a game."

## Gloria gives thanks for Pilgrims' attitude

by GLORIA DAVIS

Thanksgiving is a wonderful, strictly American tradition. But that first celebration of gratitude, held by the Pilgrims and the Indians, might have turned out differently if today's political climate had prevailed back then.

For instance, there may have been no roast turkey in the center of that primitive table if the Department of Natural Resources had existed then, for fear the local game wardens would have stopped the early hunters for not having a general hunting license, plus the various bird stamps required.

It would have been just their luck to bag the bird in the wrong point order or else in the wrong time zone.

And I'm sure that some of our activist organizations would have gotten into the act.

Picture members of the NAACP objecting to the fact that the Indians were the only minority invited to dinner or were the Pilgrims the minority?

I can see Gloria Steinham creating a scene because the women were doing the menial

tasks of cooking and serving the feast.

Madelayn Murray O'Hare would probably have been there to object to grace being said at a public function, if God was invoked in front of children.

Since all the pictures I've seen of the Pilgrims have them all dressed alike, as were the Indians, I suppose there would be a group there objecting to the imposition of a dress code.

Can you see the cost of that meal for all those people at today's prices? The settlers would probably have had to put up the Nina, Pinta and the Santa Maria as collateral for a loan to pay for it, that is if the 14 to 18 percent interest rate didn't scare them to death.

Of course the local politicians would have shown up to bore the large captive audience and one of them would probably have put his boot in his mouth and insulted the Indians, causing more carving than that of the turkey to take place.

Well, I'm thankful that things were different at Plymouth Rock or maybe I wouldn't have that cold turkey sandwich and that last piece of fattening pumpkin pie to look forward to this Friday.

### 50 YEARS AGO: NOVEMBER 25, 1931

With the weatherman promising colder weather and cloudy skies the annual day of Thanksgiving in commemoration of the first American day of thanks as ordered by Gov. Bradford in 1621 will be observed in Antioch Thursday, with a number of events scheduled for the day.

The first week in December marks the opening of the basketball season in Antioch, it was announced yesterday. Glittering stars are practicing religiously and it is expected the usual enthusiasm will be manifested when age-old rivals meet to seek revenge.

"A Lucky Break" is the name of this year's senior class play, which will be presented in the auditorium on December 7.

Mrs. J. Ernest Brook was hostess at two bridge-luncheons at her home on Lake Street this week.

The school at Liberty Corners will commence building a new brick school house to replace to one recently burned up by unknown parties.

The Willing Workers donated fifteen infants nighties to the Legion in their drive for clothing.

## Along the way with ANNIE MAE

Mark Letourneaux, ACHS Class of '81, was one of the 3,432 freshman at the University of Wisconsin-Eau Claire, that got their first taste of northern Wisconsin snows last Thursday.

Walter Koziol tells me that former Antiochan Ken Schultz, who moved to Albuquerque, New Mex. six years ago and bought a Buick agency there, has not only doubled that business' sales but this year is one of the nation's top 20 Buick dealers.

He also has just been elected a city counselor, a post having to do with the governing of 38,000 people.

Eleven of the 12 media endorsements went to Schultz who also received over 51 percent of the vote.

His lovely wife Diane represents Koziol's Modern Homes Products among others in a three state area.

Congratulations to one of Antioch's young scholars, Donna Lee, 11, sixth grader at Emmons School.

Donna supplied the question for a local daily newspaper's junior editor's quiz and won \$10 and a copy of "Webster's New World Dictionary for Young Readers."

Keep reading and looking up those words, Donna. Your old Annie Mae has never met a smart person that isn't well-read.

The students and personnel of the Antioch Upper Grade School will sorely miss Mrs. Ann Wharmby who has resigned from her post as a Title I teacher to move east with her family in December.

I've always said that Antioch's policemen do things in a big way. Congrats to Officer Dennis Granfield and his wife Marianne on the birth of twin girls, just over the midnight deadline, last Thursday, Nov. 19.

Lots of luck to Tom Furlan of Furlan's Dugout, who will be a contestant on The Price Is Right on Christmas Day. If Tom just minds his price tags, this could turn out to be the best Christmas shopping trip he's ever made.

If Jay Dziki is polishing up on his gavel swinging style, it's because he'll be taking office soon as president of the Antioch Lions Club, one of our town's most active civic organizations. Jay is an experienced hand, having served as president of the Antioch Chamber of Commerce and Industry a few years ago.

## Memory Lane

## Nov. 30 deadline for car stickers

Passenger car owners with license plate registrations expiring in November have until midnight Monday, Nov. 30, to display brown 1982 stickers in the upper right corners of their rear plates.

Secretary of State Jim Edgar said approximately 639,300 renewal applications have been mailed to registered owners who currently display green 1981 stickers expiring in November.

Applications made by mail should have been in the secretary's office by Monday, Nov. 16, to guarantee delivery by the Nov. 30

deadline. Stickers also may be purchased over the counter at the Secretary of State's Springfield and Chicago facilities or many financial institutions participating in the license renewal program.

Effective Tuesday, Dec. 1, anyone driving a car with an expired green, November 1981, sticker may be ticketed and fined for improper registration.

If there are any questions about the Secretary of State's office, use the secretary's toll-free telephone number (800-252-8980).

## Robert Edwin Prill

Robert Edwin Prill, 45, of Paddock Lake, died Wednesday, Nov. 18 at his home after a long illness. He was born June 3, 1936 in Chicago and had lived in Mundelein before moving to

Paddock Lake in 1978.

He was a member of Holy Name Church, Wilmot, and worked as a plate maker for a printing company for several years. He married Betty Rogers, Nov. 17, 1956 in Chicago.

Survivors include his wife Betty, two sons Robert and Darrin, both at home; three daughters, Mrs. Lawrence (Karen) Walker of Mundelein, Pam and Judy, both at home; his mother, Mrs. Virginia Novello, Park Ridge; one brother, Rudy Novello of Chicago; and two grandchildren.

A memorial Mass was said Saturday, Nov. 21 at Holy Name Church, Wilmot. Interment was private. Arrangements by Strang Funeral Home, Antioch.

## Herman H. Hess

Herman H. Hess, 55, of Lake Villa, died Friday, Nov. 20 at Lake Forest Hospital. He was born Dec. 19, 1925 in Oak Park and lived in Channel Lake for many years before moving to Lake Villa in 1951.

Mr. Hess was a member of St. Andrews Episcopal Church, Grayslake, served in the U. S. Navy during World War II, was a member of the Lake Villa VFW Post 4308, the Lake Villa Rescue Squad and was past president of the Lake Villa Lions Club.

On Sept. 14, 1947 he married the former Mary L. Ryan in Antioch. He had been employed as an inspector for the Lake County Building and Zoning Dept. for the past 10 years.

Survivors include his wife Mary; one son, Gary (Marci) Hess of Orland Park; one daughter, Janis (Tom) Endler of Ingleside; two sisters, Mrs. Laura (Frank) Crandall of Montello, Wis. and Mrs. Betty (Elmer) Grim of Chicago and one granddaughter.

Funeral services were Monday Nov. 23 at the Strang Funeral Home, Antioch, with the Rev. Lee W. Gross officiating. Interment was in Liberty Cemetery, Trevor. Contributions may be made in his name to the Lake Villa Rescue Squad.

## Seek service applicants

Congressman Robert McClory announced it is now possible for him to accept further applications to U.S. Service Academies.

Candidates interested in applying for nominations to the U.S. Military Academy (Army) at West Point, N.Y.; the U.S. Naval Academy at Annapolis, Md.; the U.S. Air Force Academy at Colorado Springs, Colo. and the U.S. Marine Academy at Kings Point, N.Y., should contact McClory promptly.

Applications should be received on or before the extended deadline of Dec. 30 in order to be considered for the class entering in July 1982.

Applicants must be U.S. citizens who are 17 years of age and not past their 22nd birthday on July 1 of the year admitted.

They must be unmarried and have no children, have good moral character, be in good physical condition and have a high academic standing.

McClory urges all high school seniors who are interested in attending a U.S. Service Academy to write him at 2109 Rayburn Building, Washington, D.C. 20515.

## Lions to honor attendance

Antioch Lions Club members with perfect attendance will be honored at a dinner meeting Monday night, Nov. 23, at Colony House.

Cocktails will be served at 6:30 p.m. with dinner following.

President Jim Knigge announced that the annual Christmas party has been set for Dec. 14 at Country House.

# Antioch High has poets

by CAROLE RISK

In stories regarding Antioch schools, we often read with pride about exceptional scholastic achievements, great athletic prowess, or perhaps about our local beauties.

On the other hand, not so proudly, we will also read of the crimes, mistakes, or just plain goof-ups committed by our younger generation.

But something different here are samples of poetry from two creative writing students who attend Antioch High School, Kelly Gordon, and Jodi Johnson.

### MAN AGAINST HIMSELF

Once upon a time we pranced through daisied fields like children of the sun. How were we to know that what we had together made us more than men alone, or that time would turn

our precious homeland into barren fields of stone? We had no choice but to travel on...

So here we stand, you and I, like tin soldiers fighting useless battles. It's not that we are no longer friends; perhaps we've merely forgotten the scent of flowered fields. Or is it that you and I have already found our enemy Ourselves.

By Kelly Gordon  
Senior

### THE ATTIC STANDS

Up above our heads, dim and musty, full of past events: Football games, dances, and socials, most likely forgotten. Many jokes, with a humor,

no longer laughed at. Many dates — like Chester, Jake, Paul, and Jim too — long replaced. Boxes of pictures: faded and worn subtle and quiet bare and still an older man, a younger woman, whom no one knows or remembers. The memories are covered with dust, aging with the days, hidden in minds and trunks of yesteryear.

by Jodi Johnson  
Junior

These poems were received through the courtesy of Mr. J. Corrigan head of the English Dept. at Antioch High School.

## Environment studied by grade school students

The environmental education office and the science department at the Antioch Upper Grade School sponsored a four-day field trip to Camp Timber-Lee in East Troy, Wis.

The group left for camp on Sunday, Oct. 4 and returned on Wednesday, Oct. 7.

Fifty-eight students were involved in the experience. Activities included nature

study, swamp hikes, tournament games and an interpretive snake discussion. The days started early by watching the sunrise and closed rather late with a rollicking campfire.

The venture was planned and organized by the following staff members: Sue Teichman, Bob Brown, Linda Budenbaum, Deb Dankel and Karen Heinshon.

"Values for the Future" project director.

One outstanding highlight of the trip was the sighting of a Great Horned Owl. The trip was a great experience for the students as they worked very hard together for four days. As a result of the trip, the students have a better awareness of nature and their environment.

## Salon 191 sets meeting

The Christmas meeting of Lake County Salon No. 191 will be held Wed., Dec. 2nd at the Gurnee Legion Home, beginning at 8 p.m. Salon members from North Chicago Unit will be the hostesses. All members should remember to bring their gift exchange item.

Chapeau-Dianne-Raihle of Round Lake Unit expects to hear from membership chairman Barbara Klemm of Gurnee, and Children and Youth chairman Karen Fox, who will remind us our next contributions is due before Jan. 1, 1982. These contributions help finance the

research on lung and other respiratory diseases in children, provide various recreational activities for the patients at the hospital in Denver, Colo.; and help pay the transportation of parents wishing to visit their children confined in the hospital.

**CANCER FIGHTING SQUAD** — Getting set for Lake County Unit of the American Cancer Society's special holiday fund-raiser at Hawthorn Center are, from left, Alice Moody, Libertyville, day-chairwoman for Libertyville volunteers for special fund-raiser; Janet Brook, Antioch, Lake County Unit chairwoman for the holiday gift-wrap service; Norma Collins, Waukegan, president of the Lakeland Council of Telephone Pioneers and day chairwoman for the gift-wrap service and David Wagner, chairman of the income development committee for the Lake County Unit.

### Following champs hard record to uphold

The Antioch Sequoit varsity basketball team will have a hard time living up to the record of last year's championship team. Not many of last year's state quarterfinals champs are left this season, so it's back to the drawing boards for Coaches Roger Andrews and Jeff Dresser.

The only returnees who saw much playing time with the unbeaten Northwest Suburban Conference Champs from 1980-81 are Bob Gatti and Gordon Nasenbeny.

Gatti is a 6-2, 200 pound senior forward, with Nasenbeny being a 6-1, 150 pound senior forward-guard.

"They were our sixth and seventh men," Andrews said. "They'll probably be the nucleus we build around, since they have the most game experience," he added.

Steve Sheedlo, a 5-11 senior guard-forward and Bob Herich, a 6-6 senior center, both have shown a lot of promise in pre-season practice.

Andrews says that the remainder of his players all have about the same ability, so a lot of stiff competition is expected for starter positions.

"If one guy has a little bit of a letdown," Dresser interjected, "someone else will take their place."

"That should help to give us some depth," Andrews anticipated, "and it should allow us to keep fresh people in the game."

The coaches are in hopes the keen com-

petition for starters' berths continues even after they are chosen.

Andrews explained, "Sometimes, when you name a starting five, everybody else just works to maintain their position."

"We hope everybody else keeps battling," he said.

"With the talent we have, they know they're close to each other," Dresser added. "It should keep the competition up."

Because of the evenness of his talent, Andrews expects to play at least nine or 10 players each game.

"What one person lacks, another may be strong in," he added. "Overall, teamwise we're a little quicker than we were last year."

"We don't have the power and strength inside," he revealed. "or the real strong inside scoring like we did last year."

"This year's team might be a little stronger in their outside shooting," he said.

"We have to hit better because we're not going to get the funnel work we had last year."

The Sequoits first game is at the Barrington Thanksgiving Tourney, against Barrington, 8 p.m., Wednesday, Nov. 25.

Then they take on Libertyville, 6:30 p.m., Friday, Nov. 27 and Elgin Larkin, 6:30, Saturday, Nov. 28.

## Bowlers ready to roll for Cystic Fibrosis

Antioch Bowling Lanes will participate in this year's Bowl-for-Breath, on Sunday, Nov. 29, from noon to 6 p.m., to raise funds to combat cystic fibrosis.

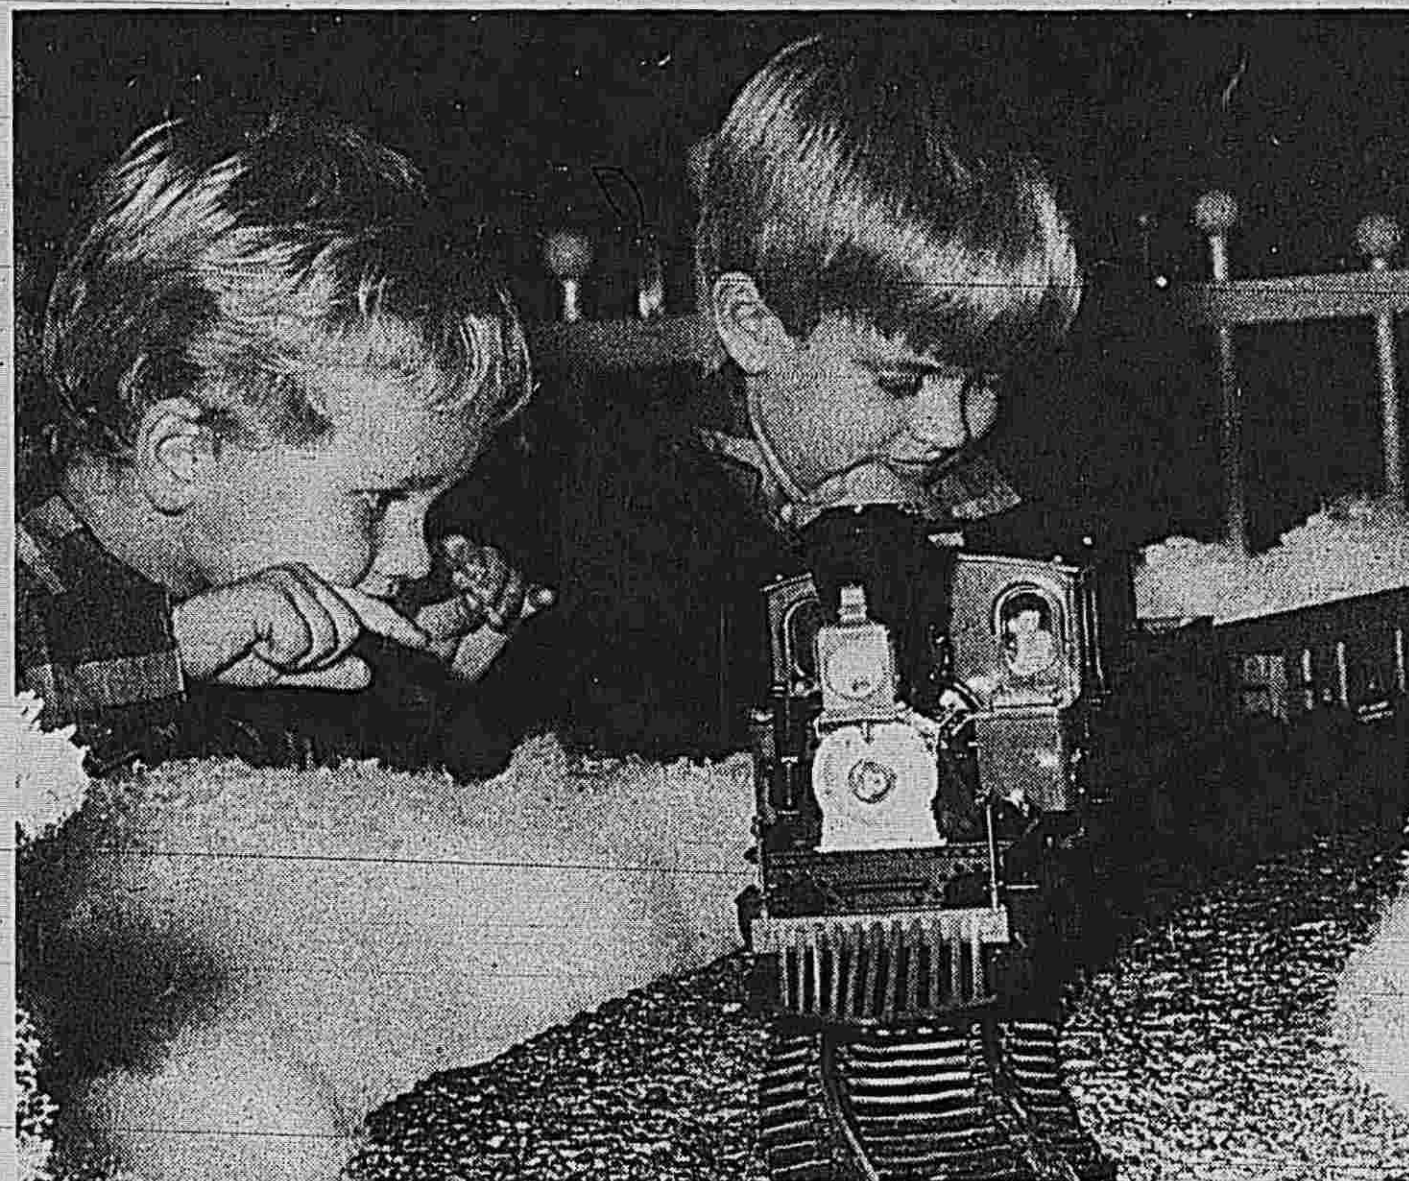

Cystic fibrosis is the number one genetic killer of children and young adults in

America. Bowl-for-Breath is held locally and nationwide each year to raise money for research to improve medical treatment and, ultimately, to find a cure or control for this fatal disease.

Mabel Weber, chairperson of the 1981 event, urges area

residents of all ages and levels of skill, including non-bowlers, to participate.

Entry forms are available at the Antioch Bowling Lanes. For further information contact Mabel at the Antioch Bowling Lanes, (312) 395-1155.

CHRISTMAS IS FOR TRAINS—New large-scale locomotive, shown here being inspected by Jeremy, left, and Justin Brice of Antioch, is now on display in Hawthorn Center's Center Court, representing that uniquely American holiday tradition of giving toy trains.

## Vikings edged for title

The Antioch Viking football program closed out a very successful season, losing in the championship game of the junior level of the Northern Illinois Junior Football League playoffs at McHenry.

In what was a tremendous defensive struggle by both teams, Antioch was defeated by Winnetka, 6-0. Winnetka

scored its touchdown near the end of the second quarter on an end run of 30 yards. Antioch responded by blocking the extra point kick, but the game was all defense the rest of the way.

Defensive standouts in the game were Mike Byczek, Mike Fields, Chris Haley and Larry Rygielski.

Antioch running back Ken Anderson was named the game's most valuable player. The Viking league will honor its players with an awards presentation beginning at 6:30 p.m., Tuesday, Nov. 24 at Antioch High School. Parents, cheerleaders, and football players are encouraged to attend.

### APPOINTMENTS

Gov. James R. Thompson has announced he has nominated 495 Illinois citizens for appointment by the President as standby members of 99 local draft boards in the Selective Service System which will serve the state's 102 counties.

## Support Toys For Tots with your donations

The annual Toys For Tots campaign to collect toys for the needy children of Antioch and Lake County is now well under way, with official collection points located throughout the area.

The Toys For Tots campaign, sponsored by the U.S. Marine Corps., The Antioch News and Lakeland Newspapers, and other participating merchants, is designed to bring together

surplus toys with those unfortunate children who might not otherwise enjoy a Merry Christmas this December.

Residents of the area are encouraged to deposit toys in collection barrels at any of the many collection points in the Antioch and Lake Villa area.

Antioch toy deposit locations include The Antioch News office, 525 Main

St. and Realty World Tiffany Realty, 549 Lake St.

In Lindenhurst, deposits can be made at Realty World John Sage and Associates, 1724 Grand Ave.

Toys deposits can also be made at Lakeland Newspapers offices in Fox Lake, Grayslake, North Chicago and Wauconda and at many other participating sponsors.

## Moffat rides his plow

The first annual American Public Works Assn. Snowplow Rodeo was held at Arlington Park Race Track on Saturday, Nov. 14.

Taking first place honors was the Buffalo Grove Public Works Department, represented by Phil Moffat of Antioch and Rick Kuhl of Buffalo Grove.

Forty-three towns and four counties were represented at the event. Competition included written examination, obstacle course, and mechanical equipment inspection. Trophies were awarded to the winning team and the Village of Buffalo Grove.

## Rainbow meeting scheduled

The annual meeting of the sponsoring group of Antioch Assembly 23, Order of Rainbow for Girls, will be held at 3 p.m. Sunday, Dec., 6, at the Masonic Temple, 885 Main St.

The group will elect a new advisory board for the Antioch Assembly. The years work of the assembly will be reviewed. All interested Eastern Stars and Masons are invited to attend.

## Churchill announces state house campaign

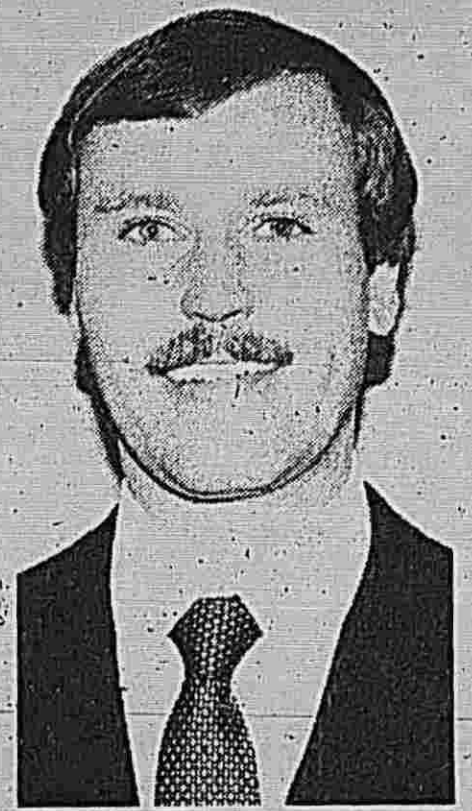

Grayslake attorney Robert W. Churchill has announced that he is seeking election to the Illinois House "with fresh ideas and open attitudes to revitalize our governmental process."

Churchill, who practices law with the family law firm begun by his grandfather R.W. Churchill in 1903, is a graduate of Grayslake High School with his bachelor's degree from Northwestern University and his law degree from University of Iowa.

Churchill said that with the approval of the reduced size of the Illinois House, "the voters expressed the public belief that our government should be smaller, more efficient, less powerful and less costly. With the replacement of multi-member districts by single-member districts, the electorate dictated that its representatives be held more accountable."

"With redistricting comes a chance for a fresh start, a new beginning," said Churchill. "The state is plagued with problems, a financial crisis, the RTA, unemployment, loss of industry and the state aid formula for education, to name a few. The solidified positions and the hardened alliances of the past will not permit progress toward solving our problems. The election of new candidates with fresh ideas and open attitudes will revitalize our government process."

Churchill is a member of the American Bar Assn., Illinois Bar Assn. and Lake County Bar Assn. He is past member of the Lake County Real Estate broker-lawyer accord committee, present chairman of the Lake County Bar Assn. real estate com-

ROBERT W. CHURCHILL

mittee, a director of the First National Bank of Mundelein and a Lake Villa Township trustee.

Churchill was also a GOP delegate to the Republican National Convention in 1980, committed to John Anderson.

As a Republican he has been a member of the Board of Governors of the Lake County Republican Federation, campaign treasurer for States Atty. Fred Foreman and vice president of the Lake Villa Township Republican Club.

"Through the practice of law in my family's Lake County law firm, and with my election as a Lake Villa Township trustee, I have come to know, represent and serve the citizens of our area," said Churchill. "I wish to continue that representation and service on behalf of the people of the 62nd district, by being elected as their state representative."

## Flanagan joins Dist. 4 race

Lindenhurst Mayor Ted Flanagan has announced plans to seek election to the

county board from district four.

Flanagan, in making his announcement, said that announcements by other candidates in the coming weeks will impact his decision on whether or not to run on a slate with other candidates from district four.

"We will have to see who decides to run," said Flanagan, adding that he is a firm believer in the fact that all four townships in the district (Grant, Antioch, Avon and Lake Villa) should be represented on the county board.

A major stumbling block in the development of a slate is that several candidates have been balking at joining a slate with Avon Supervisor Norm Geary. Both Antioch supervisor and board member Jim Fields and County Board Member Donna-Mae Litwiler of Long Lake, have said they are not interested in a ticket that includes Geary.

"I have no problems with serving with any of the candidates," said Flanagan. Earlier this year, a slate of Flanagan, Fields, Litwiler and Geary was discussed, bringing the concerns of Litwiler and Fields into the public.

"Since retiring from Illinois Bell Telephone Co., I can spend the necessary time needed to properly represent the people of

District 4," said Flanagan. "In discussions with many people of the district, I find that sewer, water, police protection and building code enforcement are major problems of concern in our area. My 16 years as mayor of Lindenhurst gives me the background necessary to address these concerns."

"Over the years I have established a rapport with most of the county department heads. For the past year-and-a-half I have worked with the planning

department on the update of the County Comprehensive Plan. During negotiations on widening of Grand Ave., I spent many hours working with the county highway department, the Illinois Dept. of Transportation and our local legislators."

Flanagan has served as an officer of the Lake County Municipal League, most recently as vice president, and has also served on the Lake County Community Development Block Grant Commission.

## Sheriff forms new theft unit

In a continuing program to develop specialized expertise within the Lake County Sheriff's Department, Sheriff Thomas S. Brown has formed a separate, highly-trained unit to deal with the problem of auto theft.

"The crime of auto theft is a constant threat to vehicle owners and the cause of substantial increases in automobile insurance rates," Brown stated.

"Because this crime is reaching epidemic proportions, I have designed two investigators to work exclusively in the area of stolen vehicles.

"These men, Detectives Patrick Dunn and George Martin, are experienced in-

vestigators who have been trained by the National Auto Theft Bureau (NATB) and have participated in other auto theft related training to develop a very proficient rating within our department.

"Chop shops, stolen parts houses and blatant vehicle theft for profit goes on as an everyday occurrence in the Chicago metro area. These officers, along with the rest of our force, will work with city, state and federal agencies in an attempt to substantially reduce this crime in Lake County," he said.

Continuous investigation and monitoring of used car sales often lead to garages, farms or businesses which are fronts for stolen car rings.

## Obituaries

### George Weinberger

George Weinberger, 50, of Lexington, Ky., formerly of Antioch, died Thursday, Nov. 19 at Lexington, Ky. He was born Feb. 9, 1931 in Zion and was formerly employed as a draftsman at O.T. Knutson in Antioch and was a veteran of the Korean conflict.

Survivors include his wife, Marilyn; three sons, Glen, Guy and Gary and one daughter, Gail, all of Lexington, Ky.; one sister, Mrs. Peggy (Jack) Finkel of Gurnee.

Funeral services were held Monday, Nov. 23 with the Rev. Richard K. Hunt officiating. Interment was in Northshore Garden of Memories.

### Edmund Palinski

### INSIGHT INTO EYESIGHT

Dr. R. A. Sona,  
OPTOMETRIST

#### Soft Contacts and Comfort

If pressed for a one-word summary of the advantage of the soft contact lens, that word would be "comfort". The patients who most appreciate this are former hard lens wearers who stopped using them because of discomfort. When a soft lens is put on their eye, they are absolutely astounded by the lack of any annoying sensation.

Did you ever wonder why a contact lens placed directly on the cornea does not hurt? I'm sure you've had the experience of a speck of dust irritating the eye and by extension you would expect a contact lens (which is so

much bigger) to hurt like the devil. But, the cornea is very choosy in its pain sensitivity. It reacts more actively to abrasiveness than size. Soft lenses absorb warm tear fluid making them more pliant and natural-feeling in the eye.

In fact, a large object touches your cornea all the time - your eye lid. Yet, you feel no pain each time you blink. A contact lens, which is large compared to a speck of dust, won't hurt either, provided it's properly fitted.

## Antioch Township Delinquent Tax List For 1981

### STATE OF ILLINOIS ) COUNTY OF LAKE )

Public notice is hereby given that I, Jack L. Anderson, County Treasurer and Ex-Officio County Collector of Lake County, in the State aforesaid will apply to the Circuit Court of said County on Tuesday, the 8th day of December, A.D. 1981, for Judgment fixing the correct amount of any tax paid under protest and for Judgment against the Lands and Lots mentioned and described in the following list of delinquent Lands and Lots for the general taxes for the years 1910 through 1980 both inclusive, together with interest, penalties, and costs due severally thereon and for taxes, drainage and special assessments due for the years 1914 through 1981 both inclusive together with interest, penalties and costs due severally thereon, and for an order to sell said Lands and Lots for satisfaction thereof. Public notice is also hereby given that on the 2nd Monday of December 1981 to wit: on the 14th day of December, A.D. 1981, all the Lands and Lots for the sale of which an order shall be made, will be exposed to public sale in the building where said Circuit Court is held in said County in the Court House at Waukegan, in said County, for the amount of taxes, special taxes, drainage, special assessments, interest, penalties and cost due severally thereon, except such as shall have been paid at said time of sale. Said sale shall commence at 9 o'clock A.M. Central Time, on Monday, the 14th day of December, and to continue from day to day until the same shall be completed and if for any cause such Judgment shall not be rendered on the said 8th day of December, then such sale will be made on the first Monday after such Judgment shall be rendered commencing at 9 o'clock in the forenoon of such first Monday.

Costs on each tract or description of land two dollars; on each lot or description of lot two dollars. Also interest at the rate of one per cent per month will be added after August 13, 1981 on the first installment and one per cent per month on the second installment after September 14, 1981.

Those taxpayers who have previously complied with Section 194 of the Revenue Act of 1939 by timely paying under protest both installments of their 1980 real property taxes may file with the Clerk of the Lake County Circuit Court any objections which they may have to the aforesaid application for Judgment. All objections filed must comply with the requirements of Sections 194 and 235 of the Revenue Act of 1939.

## Risk level low for Zion nuclear plant

Commonwealth Edison's Zion Station poses no unique public risk and operates well below the risk level determined by the Nuclear Regulatory Commission, a massive new study coordinated by the utility concludes.

Covering 6,000 pages and 10 volumes, the study was made public and presented to the NRC in Washington by Edison officials.

Eighteen months in preparation, the Zion Station Probabilistic Safety Study is the most extensive and technologically advanced study of nuclear reactor safety undertaken to date.

A TEAM OF Edison scientists and engineers as well as outside consultants considered tens of thousands of accident scenarios, including events initiated by pipe breaks, equipment malfunctions, tornadoes and earthquakes.

An extremely violent earthquake would present the most significant risk to the plant, the study points out. To present a threat, however, an earthquake would have to be many times more severe than the worst on record in northern Illinois, rivaling those that struck San Francisco in 1906 and Alaska in 1968.

The study maintains there is only slight likelihood of a core melt coupled with such an improbable event.

Even if the plant were to incur the most serious of accidents, a core meltdown, the study shows there is a better than 99 per cent probability that there would

be no significant release of radioactive material.

ACCORDING TO the study, the Zion reactor containment building would be able to retain radioactive materials even under core melt conditions.

Edison undertook the Zion safety study after the NRC expressed concern in late 1979 that the plant might have represented an undue risk to the public compared to the operation of other commercial nuclear power stations. Part of the agency's concern was that the plant is located in a comparatively high population area. However, the NRC staff did not consider Zion's unique design features in making its rather generalized probability calculations, the study notes.

At the request of the NRC, the study also evaluated two costly new modifications aimed at further reducing the risk from core melts, namely, a core ladle of ceramic blocks to catch the molten core and prevent it from attacking the concrete floor of the containment building, and a filtered vented containment system to filter and release material after a meltdown, reducing the pressure inside the containment.

The results clearly showed that these features would result in only marginal decreases in the already low level of risk associated with Zion Station.
